

# Sports Concussion Institute Prevention/Intervention Program

*Promoting Safer Environments for Athletes through a Robust Campaign of Education, Awareness, and Clinical Care*

Mild Head Injury Clinic  
Pain Management Clinic  
Memory Disorders Clinic

*“The Sports Concussion Institute Prevention/Intervention Program is the best way to increase safety measures and minimize the chance for severe traumatic brain injury in athletes. Our biggest concern is the safety and well-being of your athletes.”*

- Dr. Tony L. Strickland, M.S., Ph.D.  
Chairman and CEO, SCI
